EXPERIENCE

- LEWES COUNSELING LLC, Business Owner / Therapist / Consultant** (Jan. 11 / Present)
Provide a safe, nurturing environment while assessing the social and emotional needs of clients. Offer individual and group therapy and educational workshops focused on a variety of psychosocial issues that cause personal discomfort, a significant life transition, or concern. Responsibilities also include marketing, fiscal management, scheduling, documentation, and development of treatment plans. Create & facilitate educational workshops for contracting organizations. Consulted with the American Psychological Association (APA) to conduct trainings nationwide and statewide with the Delaware Department of Education (DOE) regarding GLBTQ topics with an emphasis on reduction of youth health risks. Consultant with the Boys & Girls Club of Delaware to coordinate Mental Health programming for 5 Sussex County Clubs. Facilitate yoga & mindfulness Sessions.
- SILVER LINING HOME HEALTHCARE, Consultant** (Aug. 14 / April 22)
Work with patients in home health care. Coordinate interventions and treatments to meet psychosocial and Long-Term Care needs of patient. Serve as professional resource, train, and educate staff and patients' families.
- BEEBE HEALTHCARE, Psychosocial Services and Outreach Coord.** (Dec. 10 / Aug. 14)
Worked with health care facilities, referral sources, and patients to facilitate transition to home health care. Coordinated interventions and treatment to meet psychosocial and Long-Term Care needs of patients and their families. Led patient satisfaction survey (Press Ganey®) and outcomes. Guided management and staff in improving efficiency of policies and procedures. Promoted, networked, and developed community relationships to expand sales.
- NEMOURS, Community Relations / Senior Program Analyst** (Oct. 07 / Dec. 10)
Directed and provided consultation services to support NHPS policy goals, strategic partnerships and coalition-building efforts. Analyzed, evaluated, and wrote school wellness policies. Served as health promotion liaison to school districts, community-based organizations, and statewide early childcare committees to provide leadership, technical assistance, and training to improve healthy eating, physical activity, youth development, and family support. Facilitated roll-out of Triple P Parenting Program throughout state.
- GEORGETOWN BOYS & GIRLS CLUB, Unit Director** (July 04 / Oct. 07)
Managed day-to-day operations for youth development program for over 100 members daily age 5-18 years in accordance with policies and procedures of Boys & Girls Clubs of Delaware and Office of Child Care Licensing. Supported and guided board recruitment and development needs. Managed 450K budget and ensured maintenance of financial records. Sought and secured financial support including fundraising, grant writing, and grant administration. Ensured healthy and safe environment of two facilities. Recruited, trained, and oversaw professional development of staff and volunteers. Provided support for effective program planning and implementation. Collaborated with parents, community leaders, and organizations. Made strategic alliances to enhance club programming through marketing, public relations, and guest speaking.
- SUSSEX COUNTY AIDS COMMITTEE, Outreach & Education Director** (June 99 / July 04)
Provided advocacy and social and educational programming to enhance the lives of persons living with and affected by HIV/AIDS. Grant writing and grant management. Coordinated and delivered HIV/AIDS awareness and resources to the community via public schools/colleges, community-based organizations, street outreach, and community events. Offered free and anonymous HIV testing and risk reduction counseling. Held leadership positions in Division of Public Health HIV prevention planning committee responsible for research, reviewing epidemiology, grant proposals, and health promotion and risk reduction. Responsibilities also included creating monthly newsletters, writing press releases, recruiting, training, and managing volunteers, and maintaining current and unlimited HIV/AIDS resources in the center.
- GREATER MILFORD BOYS & GIRLS CLUB, Education Director** (Oct. 97 / June 99)
Developed and implemented daily educational programming. Collaborated with parents, local schools, businesses, and volunteers. Ensured safety and well-being of all members. Participated in community events and fundraising.
